Origins
SINCE 1919

Since 1919, Citroën has embodied boldness, innovation and a human connection, with over 100 years of heritage and more than 300 models that have shaped the automotive world. Globally renowned for its design and comfort, Citroën has sold over 50 million vehicles across 101+ countries. From introducing pioneering technologies like front-wheel drive and self-leveling suspension to iconic models, Citroën continues to innovate with a diverse range of vehicles including electric and SUVs, while maintaining its rich racing legacy.

CITROËN ë-C3X

CITROËN C3X

Citroën has established factories in Tamil Nadu and an R&D centre in Chennai, reinforcing its commitment to India.

The brand launched in India with the C5 Aircross SUV, followed by the award-winning C3 in 2022. In 2023, Citroën introduced the ë-C3, its first electric vehicle, just six months after its ICE counterpart. The lineup further expanded with the Aircross and the recently launched Citroën Basalt, bringing more innovation and value to the market.

Citroën enhances the customer experience with La Maison Citroën phygital showrooms, the ATAWADAC experience, and services like Service on Wheels and 180-minute Roadside Assistance.

With over 100 years of comfort innovation in our DNA, we continue to make every adventure more comfortable than ever.
