

THE NEW AGE
BALENO

| CRAFTED FUTURISM DESIGN LANGUAGE

Signifying NEXA's endeavour to create the cars of tomorrow, the New Age Baleno is the first model to feature NEXA's Crafted Futurism design language. A work of art inspired by the future, the design language is exclusively crafted to match the refined tastes of NEXA customers. The design philosophy manifests itself across three major pillars.

- **NEXpression**
A Trendsetter expression that guides the overall design & signature elements such as the Headlamps, NEXWave Grille, NEXTre' LED DRLs and Alloys.
- **NEXtech**
Technologies that create a wow. Advanced features catering to the new age customer's needs.
- **NEXperience**
Exclusive NEXperiences that are truly about driving a NEXA car that are delightful for both driver and the passengers.

| TECH GOES BOLD

Looks like the boldest ever. Feels like a revolution. Sounds like an immersive theatre. Connects like a Smartphone. And watches over like an Eagle. It more than meets the eye and expectations. It is designed to take your driving experience to a whole new dimension. Welcome to "sensorial driving". Welcome aboard to the New Age Baleno.

| DAPPER GOES BOLD

The bold showstoppers' dynamic stance, strong shoulders, and sharp character lines easily get hearts racing. Its geography has history, as its defiant body inherits the aesthetic Liquid Flow Design, throughout. The new NEXWave Grille with accentuated chrome strip gives the Baleno a wide and aggressive look. The LED Projector Headlamps with NEXTre' LED DRLs and Rear Combination Lights could attract anyone at first glance. And in the second, they would find themselves behind its wheel.

| COMFORT GOES BOLD

You might want to keep going till the sun comes out. That's why we have reimagined driving comfort for you. Immerse yourself into the state-of-the-art cabin crafted with sleek chrome accentuation with smooth and natural flow lines along with strong and expressive deep curves on the dashboard. Specially designed to make the person driving the Baleno feel like one with the car. Bask in the glory of the Dual-tone Interiors with Piano Black inserts. Sit back and relax in the lap of the new seats with extra deep curves and 'wrap around' design which give you that added comfort.

| INTELLIGENCE GOES BOLD

The feel of driving the Baleno is pure thrill. It is Intuitive. Instinctive. And sensorial. You might get goosebumps as you see the Head Up Display gently popping up for the first time. Or the 3D views of the 360 View Camera, giving you a total look of your surroundings.

| 360 VIEW CAMERA

The New Age Baleno is the first premium hatchback in India to introduce 360 View Camera. Experience the ease of driving and parking in tight spaces with multiple view modes (3 each for front and back) to choose from according to your own convenience. It also offers 3D views of the complete vehicle surroundings as well. Moreover, the Approaching Object Detection (AOD) intuitively alerts you, when deemed necessary. This is not all, the steering based dynamic grid-lines smartly pave the way for you, into the spot.

| HEAD UP DISPLAY

The New Age Baleno introduces Head Up Display for the first time in its segment. Enjoy driving in the city without taking your eyes off the road. Check the Turn by turn navigation, Speed, RPM, Fuel Economy, AC functions, and Warning notifications in colour with multi-display options in your line of sight. You can also adjust the brightness and angle of the HUD, as per your convenience and seat position.

CRUISE CONTROL

| CONVENIENCE GOES BOLD

This bold premium hatch is heavily loaded with key features that enhance passenger comfort and make the car highly functional. It has Rear AC vents, Rear USB Type A and Type C Fast charging ports that are the best in its segment. It also has a sliding center Armrest for additional driving comfort. The popular Auto Gear Shift (5AGS) makes your drives smoother in the city amidst the traffic. It also allows you to seamlessly choose between automatic and manual transmission.

Additionally, when you switch to Cruise Control, it intelligently keeps the vehicle at a constant speed and you just sit back and enjoy the experience of sensorial driving. And for all those hazy days and misty nights, the LED Fog lamps come really handy to enhance visibility.

| DATA GOES BOLD

The way you experience information on the dashboard can be creative too. Experience an all new instrument cluster with a Multi-Information Display that shows a galaxy of vehicle information in colour along with additional screen options. You can track the G force, check the acceleration and braking stats, review the ISS performance and Fuel quantity saved. Monitor the Engine power and Torque usage, Turn by turn navigation, Range, Instantaneous and Avg. Fuel Efficiency, Fuel Consumption History, Average Speed and Driving Time. Plus, you can keep

| INFOTAINMENT GOES BOLD

The new SmartPlay Pro+ comes with a 9-inch High-Definition display, intuitive user interface with Advanced Voice Assist to offer seamless connected driving experience. It will also boast of premium superior acoustic tuning experience “Surround Sense” powered by ARKAMYS, offering signature ambiances created to suit your various moods. Moreover, you can enjoy wireless connectivity for Android Auto and Apple CarPlay*.

| CONNECTIVITY GOES BOLD

Stay connected with your Baleno when you are driving it and while you are away, with the Next Generation “Suzuki Connect” – Advanced Telematics Solution. Feel at one with your Baleno wherever you are, as you can remotely access the headlamps, hazard lights, doors, alarm, engine immobilizer as well as monitor your Baleno’s battery health in real time. Suzuki Connect also boasts of a host of safety & security functions along with insightful trip and driving behavior report, which keeps you in command of your car always. This is not all, due to its compatibility with Alexa Skill*** as well as your Smartwatch**, the New Age Baleno’s Suzuki Connect offers a connected car experience in its true sense.

**Available on both Android 7.0 and above & iOS 12.0 and above.

| PERFORMANCE GOES BOLD

Tame the mean city streets with the advanced 1.2 L K series Dual Jet Dual VVT Engine with ISS (Idle Start Stop) technology to give you a bold and sensorial driving experience. ISS cuts off the engine when the car comes to a halt. And restarts, the moment you press the brake in AMT or the clutch in MT. The car also features bigger discs for more stable braking performance. It also features an all new suspension that make smooth & comfortable riding through undulated roads, elevating the overall driving experience. The New Age Baleno comes with Hydraulic Clutch system, which offers better shift performance and clutch life.

| EFFICIENCY GOES BOLD

The New Age Baleno is available with S-CNG as well which comes with dual inter-dependent Electronic Control Units (ECU) and an intelligent injection system to provide an air-fuel ratio that ensures superior performance, and fuel efficiency. The system offers enhanced safety with stainless steel pipes and joints to avoid corrosion and leakage in the entire CNG structure. Integrated wire harnesses are used to eliminate short-circuiting and a microswitch ensures that the vehicle does not start during CNG fuel filling process.

| SAFETY GOES BOLD

The bold does not hold back on safety. That's why, we have amped up the safety quotient for the New Age Baleno meticulously. For the first time ever, Baleno gets 6 Airbags (Front, Side and Curtain). No matter what the weather conditions are, the significantly enhanced stability of the vehicle ensure a pleasurable driving experience. The bold premium hatchback is equipped with ESP with Hill Hold Assist, which prevents the loss of traction on all wheels. ESP helps in improved vehicle control during cornering, immediate lane change to avoid obstacles & provides more stability while driving on uneven or broken roads. The New Age Baleno also gets enhanced high speed straight line stability as well as better steering returnability, and enhanced braking for greater control on your bold drives. In addition to that, the Baleno is also loaded with ISOFIX mounts, Speed Alert System, Seat Belt reminder for all occupants, Rear Parking Assist Sensors & many more safety features.

*For details on functioning of safety features including airbags, kindly refer to the owner's manual.

| LIFESTYLE GOES BOLD

The beautiful tarmac at night. The blurry city lights in hindsight. And an immersive groovy music to set the vibe right. You look dapper and the wheel is between your hands. There's an open road in front of you. You spot the green light. Push the pedal down to let the engine tell the night that you are afraid of nothing. You are the king of the bold times. And the night and its nightlife belong to you.
