

INTRODUCING
GRAND VITARA
— PHANTOM BLAQ *EDITION* —

ALL **BLACK**
INTERIOR *WITH*
CHAMPAGNE
GOLD *ACCENTS*

For detailed t&c kindly visit nearest dealership. Creative visualization. Grand Vitara Phantom Blaq is a limited-edition model. Matte black shown is wrap to finish and not factory-applied paint. Appearance, durability, and maintenance may vary compared to standard paint finishes. Any wear and tear shall be subject of applicable warranty terms. Black glass shade on the vehicle is due to the lighting effect. Images used are for illustration purposes only. Car color may vary due to printing on paper.

GRAND VITARA

I CRAFTED FUTURISM

Signifying NEXA's endeavour to create the cars of tomorrow, the Grand Vitara features NEXA's Crafted Futurism Design Language. A work of art inspired by the future and is exclusively crafted to match the refined taste of the NEXA customers. This design philosophy manifests itself across three pillars:

- **NEXpression**

A powerful expression that is dynamic and aggressive. The Grand Vitara features NEXA's signature design elements like the new striking large R17 Machined Alloy Wheel, Premium Crafted Chrome Grille, sharp 3-Point NEXTre' LED DRLs and a bold front fascia that lends this car a high stance. The powerful design is further amplified by the strong shoulder lines that flow seamlessly into the Signature NEXTre' LED Tail Lamps.

- **NEXtech**

The Grand Vitara is a new breed of SUVs that comes loaded with advanced powertrains to match your various lifestyles. The revolutionary Strong Hybrid Technology offers a refined and quiet driving experience, while the Suzuki ALLGRIP Select with its legendary off-roading prowess lets you tackle the toughest of terrains with ease. The Grand Vitara is equipped with advanced features like Head Up Display, 360 View Camera, Wireless Charging Dock, SmartPlay Pro+ Infotainment System and the Next Gen Suzuki Connect, ensuring that every drive is exciting and comfortable.

- **NEXperience**

Keeping in line with NEXA's vision of offering global experiences to its customers, the Grand Vitara comes with exclusive NEXperiences that are at par with global standards. With features like the Panoramic Sunroof, Ventilated Seats, 8-Way Driver Powered Seat and 17.78 cm (7") Multi-Information Display (TFT Colour), this new breed of SUVs is equipped for a seamless and comfortable experience.

I RULE EVERY ROAD

Every road is a story waiting to be told and every trail is a discovery waiting to be explored. There are adventures around every turn and there's excitement in every drive. And they wait for no one. So, what are you waiting for? Take on the roads and drive to your heart's content. After all, it's no mere SUV you are driving. You're in a new breed of SUVs. You are in the Grand Vitara. And it's time to rule every road.

EV MODE

I STRONG HYBRID TECHNOLOGY RULE THE CITY

A new breed of SUVs has arrived. A breed that's as silent as the night and refined to perfection with intelligence. Every drive in it is a breath of fresh air. And it's here to rule every road, quietly and efficiently. This is Grand Vitara with the revolutionary Strong Hybrid Technology.

The advanced Strong Hybrid System from Maruti Suzuki can drive on battery power, alone, and operate in fuel efficient, zero-emissions mode.

As per Maruti Suzuki's internal testing standards and conditions, the Grand Vitara has a range of over 1200⁸ km in a full tank. Maruti Suzuki claims that it is India's most fuel-efficient SUV² too. The Strong Hybrid Technology switches automatically between pure electric and petrol modes, as well as the Hybrid mode depending on the driving situation, making for a unique experience.

Maruti Suzuki's Strong Hybrid Technology offers:

- Enhanced performance
- Quieter drive
- No range anxiety
- Lower CO₂ emissions
- Better fuel efficiency

DRIVE MODE SELECTOR

I SUZUKI ALLGRIP SELECT - RULE WITH A FIRM GRIP

Challenging conditions or new territories, conquer them all. Old conventions, defy them all. Go further and take on the toughest of roads. No matter where the paths take you, rule every road. This is the Grand Vitara with Suzuki ALLGRIP Select, the legendary Four-wheel Drive Technology from Suzuki. The electronically controlled Four-wheel Drive System with selectable driving modes uses a simple push-and-turn dial so you can control the driving behaviour depending on the road surfaces or conditions. This superior capability of the new breed of SUVs gives the driver the confidence to take on any challenging terrain while ensuring high fuel-efficiency and peace of mind. The ALLGRIP Select lets you choose from 4 driving modes - Auto, Sport, Snow and Lock.

- In the AUTO mode, the vehicle prioritises fuel economy and switches between Two-wheel Drive and Four-wheel Drive depending on the road surface and driving conditions.
- In the SPORT mode, the vehicle is optimised for sporty driving, such as on winding roads.
- In the SNOW mode, stability is maximised which makes driving through snow, unpaved or other slippery surfaces easier.
- In the LOCK mode, the system sends power to the wheels that have traction and applies brakes to the wheel that is spinning. This gives the vehicle the confidence to move out of challenging terrains like mud or sand by maximising traction and improving stability.

PANORAMIC SUNROOF

HEAD UP DISPLAY

17.78 CM (7") MULTI-INFORMATION DISPLAY (TFT COLOUR)

CLARION SOUND SYSTEM

- Premium Tweeter
- ▶ Premium Speaker

SMARTPLAY PRO+

AUTO PURIFY WITH PM2.5 DISPLAY

I RULES CONVENIENTLY

• Panoramic Sunroof

Open up to a stunning new way to enjoy your drives. Be it in the city or cruising on endless highways. Enjoy panoramic views of the exquisite blue skies.

• Head Up Display

Take your drives to the next level with the coloured Head Up Display. Enjoy your drives without taking your eyes off the road. Now you can check the speed, RPM, fuel economy, AC functions and warning notifications, all within your line of sight.

• 17.78 cm (7") Multi-Information Display (TFT Colour)

The 17.78 cm MID offers a futuristic experience. It gives you a choice between digital and analogue speedometers and provides a host of information like incoming call alerts, turn-by-turn indicator, TPMS and fuel consumption display, to name a few.

• SmartPlay Pro+

The Smartplay Pro+ with a 22.86 cm touchscreen display comes with an intuitive user interface and an Advanced Voice Assist for a seamless driving experience. Moreover, you can also connect your Smartphones to your car with the Android Auto®5 and Apple CarPlay®6 for a truly wireless experience.

• Clarion Sound System

Experience personalised audio excellence with Premium Sound System powered by Clarion® for the Grand Vitara, featuring Focus (All, Front and Driver Mode) & Ambience (Live and Bass Modes). Experience a truly immersive and customised audio journey.

• Auto Purify with PM2.5 Display

Purifier displays PM2.5 concentration inside cabin. Set Auto Purify and enjoy a healthier cabin. Auto Purify monitors the particulate matter inside cabin and reduces the particulate matter faster by regulating the blower's speed.

REAR DOOR SUNSHADE

PADDLE SHIFTERS

8-WAY DRIVER POWERED SEAT

WIRELESS CHARGING DOCK

VENTILATED SEATS

AUTO AC

| RULES COMFORTABLY

• Ventilated Seats

The Ventilated Seats in the Grand Vitara are designed to cocoon you in comfort. They keep you cool, even on the hottest of days. So, sit back and relax. Even if, it is sunny outside, you'll be comfortable inside the Grand Vitara.

• 8-Way Driver Powered Seat

The 8-way driver powered seat offers enhanced comfort and convenience. This powered seat allows for precise adjustments, including seat height, recline, cushion tilt, and seat lifter. The feature ensures an ergonomic driving position for a commanding and comfortable ride on long journeys.

• Paddle Shifters

Feel the rush at your fingertips thanks to the 6-Speed Automatic Transmission with steering-mounted Paddle Shifters that ensure a riveting driving experience.

• Wireless Charging Dock

Never run out of charge on your devices, be it in the city or away from it. The Grand Vitara comes equipped with a Wireless Charging Dock that keeps your phones energized.

• Auto AC

Set your desired temperature and enjoy the drive. Auto AC monitors the cabin temperature and automatically adjusts the blower's speed, so you don't have to.

• Rear Door Sunshade

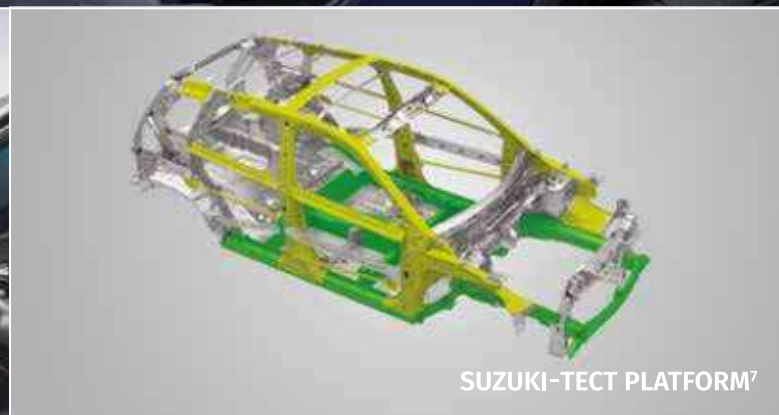

Take control of your cabin with this feature that enhances passenger comfort by reducing glare and heat. It helps maintain a cooler temperature, especially during sunny days, and adds an extra layer of privacy and convenience for the rear passengers.

6 AIRBAGS AS STANDARD

TYRE PRESSURE MONITORING SYSTEM

SUZUKI-TECT PLATFORM

360 VIEW CAMERA

ELECTRONIC PARKING BRAKE

I RULES SAFELY

Fierce and dominating outside. Comfortable and safe inside. The Grand Vitara comes equipped with the NEXA Safety Shield, which features a host of standard safety features, across all its variants.

• 6 Airbags as Standard

The Grand Vitara comes equipped with 6 Airbags as standard (front, side & curtain) for improved passenger safety.

• Tyre Pressure Monitoring System

The Tyre Pressure Monitoring System (TPMS) displays the individual tyre pressure. It warns you in the event of a change in pressure thereby ensuring optimum riding comfort and increased safety on the road.

• Suzuki TECT Platform

The Grand Vitara is built on Suzuki's renowned TECT platform. It is designed for effective absorption and dispersion of crash energy by extensive usage of High-tensile Steel.

• 360 View Camera

Experience the ease of driving and parking in tight spaces with multiple view modes to choose from including a Virtual Bird's Eye View, Approaching Object Detection (AOD) feature and steering based Dynamic Gridlines that project the path.

• Electronic Parking Brake (AT Only)

The Electronic Parking Brake adds effortless control at your fingertips, making every stop seamless and every start smoother.

• Brake Hold (AT Only)

Experience effortless driving with the Brake Hold function, keeping your vehicle stationary without constant pedal pressure for superior control and added convenience, especially in stop-and-go traffic.

| NEXT GEN SUZUKI CONNECT

Stay connected to the Grand Vitara wherever you are with the Next Generation in-built Suzuki Connect - An Advanced Telematics Solution that offers you over 40 connected features. Now, you can remotely access the air conditioners³, headlamps, doors, alarm, and engine immobiliser as well as monitor your car's status in real-time. You can also easily connect your smartwatch to control the AC³ and check the vehicle's status.

It also comes with a host of safety & security functions along with an insightful trip and driving behaviour report. Moreover, due to its compatibility with Amazon Alexa Skill⁴ as well as your smartwatch, Suzuki Connect offers a truly connected car experience.

| RULE WITH A DYNAMIC LIFESTYLE

The wide open roads are yours to enjoy, and the long highways invite you to drive. The untouched paths and the unexplored trails are yours to play. Challenging, but bowing to your prowess. This is how you rule. Never settling, always moving. The Grand Vitara is the perfect SUV for your dynamic lifestyle. But there is more to see and lot to explore. So, take off, because it's time to rule every road.
