

READYFOR ANYTHING

Explore what the road has in store for you, with the new feature-loaded Renault KWID. It offers a high driving position and greater visibility that gives you better control. With an imposing stance and

dynamic performance, the KWID is now further elevated with a host of first-in-class additions, so that you can go beyond. Fasten your seatbelts and explore the new.

LIVE FOR MORE **STYLE**

The Renault KWID is designed to turn heads. Its

SUV-inspired design with short overhangs along with a 180 mm high ground clearance exudes strength and robustness. The new

Razor-edge Chrome Front

Grille highlights the Renault diamond logo, while stylish fog

lamps further enhance the

Renault KWID's striking stance. The chiselled, muscular front-end is accentuated by turn indicators on the fender cladding. Further, the steeply-raked

forward-positioned windscreen, integrated roof spoilers and rear bumper with a black trim add to its dynamic SUV look.

PERFORMANCE AND SAFETY

The Smart Control efficiency (SCe) engine technology for **accurate air to fuel ratio** monitoring, optimises performance and fuel efficiency. The suspension system of the Renault KWID is calibrated for **optimum**

ride, handling and braking, providing a comfortable, safe drive. For added protection, the Renault KWID comes equipped with front ELR seat belt with pretensioners and load limiters, new rear retractable seat belts and

central locking system. The front disc brakes ensure you're equipped for all weather conditions and road surfaces, while the **high mount stop lamp** let you be at complete peace of mind all through the journey. There's

also the **Traffic Assist Mode** that helps the car inch forward in heavy traffic and keeps it steady on slopes.

COMFORT

The Renault KWID's spacious ergo smart cabin is designed for more comfort. This is further enhanced by the KWID's thoughtful seating. The 4-way adjustable front seat with recline and longitudinal adjust give the most ideal seating and driving position. While the chunky steering wheel provides

enhanced grip. At the back, the new first-in-class rear armrest of the KWID
CLIMBER makes for a more relaxed posture. Adding to the comfort levels, the KWID houses advanced features like the digital instrument cluster and the MediaNAV system that are both convenient and user-friendly.

LIVE FOR MORE TECHNOLOGY

The new AMT variant features
Easy-R technology – a
revolutionary 5-speed AMT.
The dash-mounted Shift
Control Dial is designed to
make driving effortless. Its
user-friendly MediaNAV
features first-in-class
touchscreen display,
complemented by two
speakers in the front. This
helps in navigation with
turn-by-turn voice guidance,
Bluetooth audio streaming &

hands-free telephony. The innovative and easy to read **Digital Instrument Cluster** with **on-board trip computer** provides driving related information, while the **gear shift indicator** helps you achieve optimum fuel efficiency. To help parking even in the tightest spots, the KWID also comes with a **new first-in-class Reverse Parking Camera.**

LIVE FOR MORE CONVENIENCE

The Renault KWID comes with a host of thoughtful features. From power assisted windows that bring convenience to your fingertips to the powerful air-conditioning with heater that makes every drive pleasant, to innovative smart storage spaces that let you carry all essentials in the cabin at close reach, the KWID is designed around your needs. It comes with a class-leading

boot space of 300 litres that can be extended up to 1,115 litres. The Renault KWID also features **intermittent wipers** that help during drizzles, **new rear retractable seat belts** and a front power socket. Additionally the **new rear 12V power socket** ensures phones remain charged in the backseat too.
