enter your safe space

As a family car, we put great focus on your well-being. With the new Human First range, Triber houses front and side airbags (passenger and driver), alongside latest safety technologies like hill start assist (HSA), traction control system (TCS), electronic stability program (ESP) & tyre pressure monitoring system (TPMS).

hill start assist **NEW**

Travel far and wide with your group knowing that a suite of driver-assist features have got your back. Widely recognised as one of India's safest 7-seaters, Triber now gets equipped with superior safety tech.

makes you feel at home

Being comfortable while driving is what makes the experience fun. This is why Renault pays extra attention on keeping you relaxed with Triber's ingeniously designed cabin.

6-way adjustable driver seat with seat height adjust

Space is never an issue with Triber. It has got a massive cargo room to carry everyone's luggage, while also being equipped with an organised cabin storage to keep your travel essentials handy.

ready to go places

Unlock power in every drive with its fuel-efficient 1.0-litre, 3-cylinder engine. Additionally, equipped with the traffic assist feature, Triber glides effortlessly through the city's congested roads.

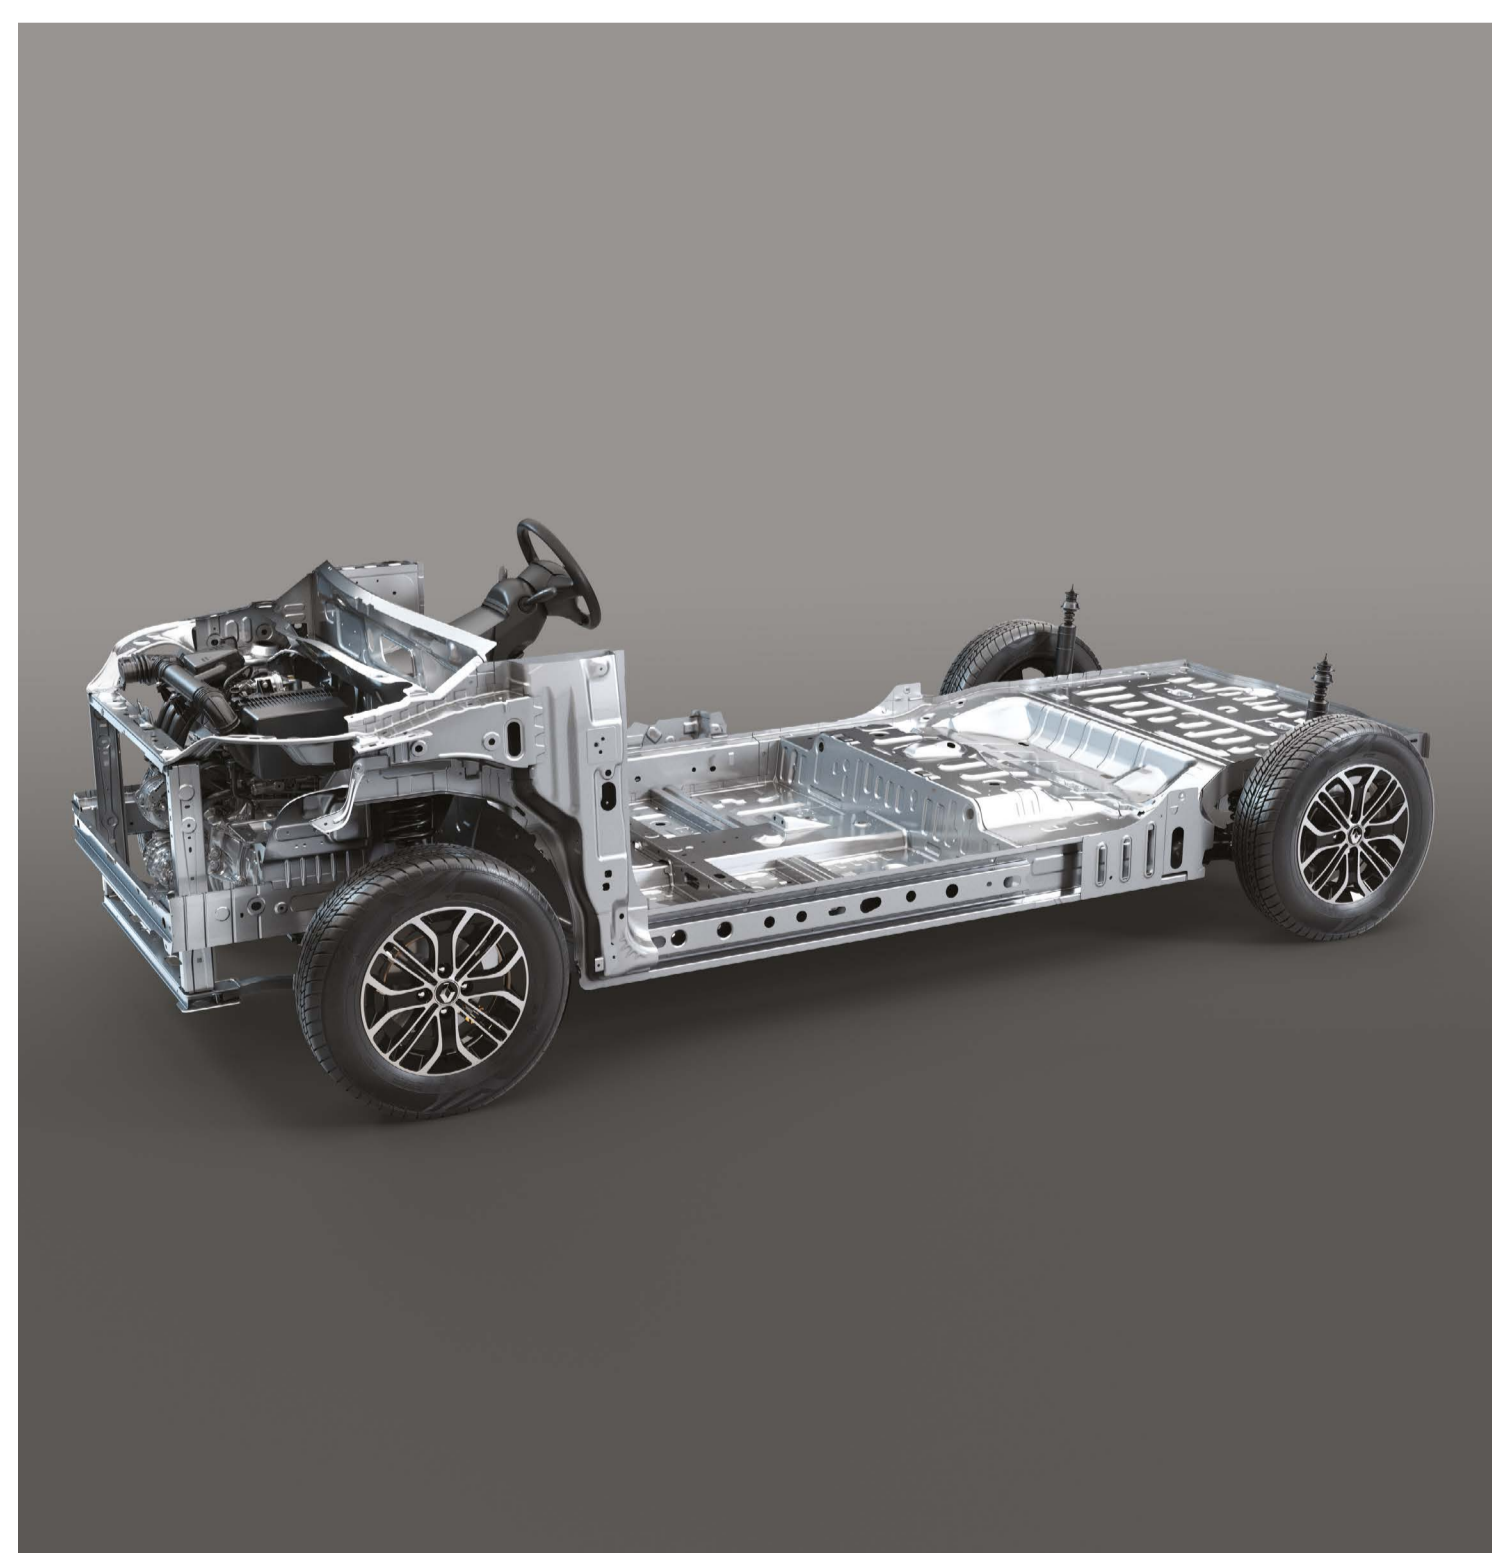

ENERGY

dual VVT energy engine

The performant engine under its hood delivers impressive pickup and equally amazing mileage. What's more? Its unique platform doesn't slow you down even when the car is packed with your whole squad.
