FEEL SPECIAL

To feel special is to experience comfort crafted with care, to be surrounded by elegance in every detail, to breathe the air of exclusivity.

It's the feeling of knowing—you deserve this. Everyone dreams of a drive that turns heads, of stepping into something that makes them the main character.

In the Tata Altroz, you don't just drive. You arrive. And every time you step out, the world looks at you in admiration.

Because in the Altroz, feeling special is a promise.

DESIGN THAT FEELS SPECIAL

From every angle, the Tata Altroz is crafted to stand out. With bold proportions, precision lines, and refined detailing, it's not just designed to impress—it's designed to make you feel special.

INFINITY LED TAIL LAMPS

Makes every exit of yours unforgettable. The tail lamps offer crystal-clear signalling, all wrapped in a seamless line of light.

R16 DRAG CUT ALLOYS

True beauty lies in the precision. The Drag Cut Alloy Wheels give you a stylish edge, the kind everyone wishes to have.

FLUSH DOOR HANDLES

Feel the lure of Altroz even before you step in. The flush door handles open with a simple, satisfying pull that feels just right.

LUMINATE LED LAMPS

The striking design and brilliant clarity don't just guide your way; they make sure all eyes follow. Tata Altroz comes equipped with LED DRLs, twin LED headlamps and LED fog lights.

**3D FRONT GRILLE WITH
AERO VENTS**

The 3D front grille's premium look enhances airflow as you cut through the air with precision. Every turn feels like a power move.

CONTRAST ROOF

Make a statement from every angle with dual-tone contrast roof.

**PRECISION FLOW
REAR BUMPER**

All new sporty rear bumper gives Altroz its athletic, road-hugging stance.

GOLF CLUB WAIST TRIM

Every detail has been designed with intent—to make you feel like the centre of attention.

GRAND PRESTIGIA DASH

The new 3-tone dashboard with soft-touch painted finishes and premium upholstery surrounds you in luxury.

CLIMA TOUCH TEMPERATURE CONTROL

Adjust the temperature with a slight, gentle touch of your fingertips, gliding effortlessly over the smooth, glossy piano finish.

SMART DIGITAL STEERING WHEEL

As day turns to night, subtle illumination takes over—turning your steering wheel into a statement of sophistication and control.

PLUSH SEATING

Experience unmatched comfort with premium plush seats.

A woman with dark curly hair, wearing a white tank top and blue jeans, is sitting in the driver's seat of a car. She is holding a green and white coffee cup with both hands. The car has a sunroof, and the interior is light-colored. Outside the window, a house with a brick wall and a large pink flower bush is visible. The scene is lit with warm, golden light, suggesting late afternoon or early morning.

SAFETY THAT FEELS SPECIAL

Drive with unmatched peace of mind. Tata Altroz surrounds you with intuitive technology and intelligent protection, so every journey feels as secure as it is special.

ALL NEW ALTROZ iCNG

Intelligent by Design. Efficient by Nature.

Tata Altroz iCNG brings breakthrough engineering to everyday drives — combining eco-friendly performance with uncompromised comfort, convenience, and safety.

This isn't just CNG. It's Intelligent CNG, built for the modern driver.

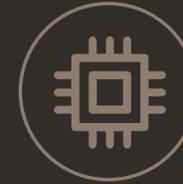

ALTROZ iCNG

Introducing the all-new TATA Altroz iCNG- a breakthrough in innovation that redefines what a CNG car can be. It delivers uncompromised performance and safety, premium features, and zero sacrifice on boot space. It's not just advanced, it's ahead of its time.

The twin CNG cylinders of 60 litres capacity are placed hidden beneath the luggage area for a high on aesthetics and unbelievably huge boot space. The advanced iCNG technology offers incredible petrol car like performance with an unmatched power of 73.5 PS and torque of 103 NM.

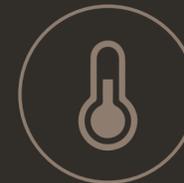

SINGLE ADVANCED ECU

The iCNG technology uses a single ECU to ensure seamless shifting between CNG and Petrol. Advanced ECU maintains optimum air-fuel ratio to give an incredible performance and high fuel efficiency.

DIRECT START IN CNG

The iCNG technology allows you to start the vehicle directly in CNG Mode. Now enjoy every drive stress-free, without worrying about switching to CNG mode.

THERMAL INCIDENT PROTECTION

The iCNG technology automatically switches from CNG to Petrol mode in case of a gas leak and protects the car and passengers from any harm.

LEAK DETECTION FEATURE

The iCNG technology immediately cuts off CNG supply to the engine in case of a thermal incident and releases gas from the cylinder directly into the atmosphere through a special nozzle as a measure of safety.
