6. Shaped for your various Charging needs
7. Shaped for different Personas

shaped to stun —

Up your style game with SUV allure and
coupé sophistication.

Differentiated coupé like design

Experience the allure of an SUV with the sophistication of a coupé.

Body cladding in piano black finish

Define your elegance with every drive.

Squared wheel arches

Bumper skid plates in satin silver finish

Combine toughness with style, giving your vehicle a sophisticated yet robust appearance.

Rear spoiler in gloss piano black

Designed for stunning looks and optimised aerodynamics.

Dual tone roof

Complements the sleek coupé design adding a touch of sophistication.

Sequential Light Saber LED DRLs with welcome & goodbye animation

Greet and bid farewell with our distinctive signature DRLs.

Sequential turn indicators

Lead the way with style and safety.

Smart charging animation

Stay informed about your charge status at a glance.

LED projector head lamp

Drive with confidence and clarity with unmatched visibility.

Light Saber LED Tail lamp

Cutting-edge lighting technology meets style.

Dual tone leatherette wrapped steering wheel

Superior ergonomic experience with seamlessly integrated controls.

Flush door handles

Enhanced vehicle aesthetics while adding to aerodynamic efficiency.

R18 alloy wheels[□] with aero inserts

Wheel designs depicted are illustrative in nature. Actual wheel design may vary from the images shown. Such variations do not impact vehicle performance, safety, reliability, or driving characteristics

Electric front charging lid
Convenient electric front charging lid for hassle-free charging every time.

Digital dashboard
Your command center for the long journeys ahead.

Phygital control panel
For simplified operation of essential functions.

Leatherette smart E-shifter
Sleek looks and a futuristic driving experience.

AeroView voice assisted panoramic sunroof with mood lighting

Enjoy the sky above and set the perfect mood for your journey, all at your command.

Multi mood ambient lighting

Illuminate your journey with the perfect ambiance, tailored to your every mood.

Boot space - 500L

There's always room for all your adventures, big or small.

Frunk - 11.6L

Modern solution for intelligent storage.

Sharkfin antenna with GPS

Where sleek styling meets superior connectivity.

shaped for innovative technology —

Get entertainment and productivity on the go with modern tech.

Arcade.ev app suite~

Indulge in a world of entertainment and productivity, designed to cater to your diverse needs.

Ultra View 31.24 cm (12.3") Infotainment by HARMAN™
Bring your infotainment to life with stunning clarity and detail.

Immersive Sound suite by JBL™

Indulge in an experience that offers crystal-clear and immersive sound that enhances your in-car driving experience.

JBL

Wireless Android Auto™ and Apple CarPlay™

Connect wirelessly with ease.

9 JBL™ Speakers including Subwoofers

Ensuring every note and beat is delivered with exceptional clarity and depth.

JBL™ sound modes

Multiple audio modes that enhance in-vehicle acoustic experience.

Multiple voice assistants

Interact effortlessly, ensuring seamless integration and enhanced connectivity.

Alexa voice assist

Access a world of convenience with Alexa voice assist.

Vehicle to vehicle (V2V) charging^{^^^}

Share power with compatible vehicles.

Vehicle to load (V2L) technology^{***}

Whether it is a drone, e-scooter or a camping experience - transform your EV into a mobile power hub.

Gesture Controlled Powered Tailgate

Convenient loading and unloading with a simple kick gesture.

Ultra view 26.03 cm (10.25") Digital Cockpit

Stay informed and in control with customisable displays tailored to your preferences.

Multi dial full view navigation

Switch effortlessly between multiple displays.

OTA updates

Your car stays up to date with Over-the-Air Updates.

Breathe IQ Purifier with AQI Display

Breathe fresh, drive safe.

Electric ORVM with autofold

Improved driving experience with easy mirror control.

Electrochromatic IRVM with Auto Dimming

Glare-free night drives.

Wireless smartphone charger

Stay powered up on the go and always ready for your next adventure.

iRA.ev^{##} & smart watch^{^^} connectivity

Keep a watch on your Curvv.ev at all times.

shaped for grandeur —

Indulge in the luxury of first-class driving experience.

Plush Benecke-Kaliko Leatherette Seats with active ventilation

Luxurious and refreshing comfort for a first-class driving experience.

Ergo lux 6 way Powered Driver Seat

Personalise your driving position with power adjustable settings.

6 way adjustable co-driver seat

Equal comfort for co-driver.

60:40 rear split seats with centre armrest

Adapt to your cargo and passenger needs.

Rear Arm-Rest with easysip cup docks

Comfort flows through every seat.

PureComfort Footrest

A superior floor footrest that provides unmatched comfort for the rear co-passenger.

ErgoWing Headrest

Ergonomically designed winged headrests that cradle your posture and keep you relaxed, even on the longest drives.

India's First R-Comfort® Seats with Passive Ventilation

Seats that feel like a warm hug & makes every mile easier, so when you take the Curvv.ev, you enjoy unmatched comfort all the way.

R-Comfort® is a registered trademark of Adient.

Serenity screen rear sunshades

The rear sunshade transforms your cabin into a private oasis, shielding you from the heat while enhancing the exclusivity of your drive.

Rear Seat with Reclining option

Personalised comfort for rear passengers during long journeys.

Rear AC vents

Efficient airflow for rear passengers.

Illuminated Cooled Glove Box

A ventilated compartment for refreshing storage on the go.

Auto Head Lamps

Optimal illumination on the road.

Rain sensing wipers

Clear visibility and enhanced safety during inclement weather.

FATC with Xpress cooling

Personalised comfort for every drive.

Cruise Control

Maintain your desired speed with precision and ease on long journeys.

Smart Key with Push-Button Start (PEPS)

Unlock and go effortless convenience at your fingertips.

Front & rear fast charge C type 45W

Fast charge your devices.

shaped for absolute safety —
Stay safe keep the adventure alive on every journey.

BNCAP
5-star safety rating*

Advanced driver assistance - Level 2 ^Δ

An advanced driver assistance suite that offers a shield of protection on every journey.

Adaptive Cruise Control (ACC) with stop & go and Adaptive Steering Assist (ASA)

Cruise through long journeys maintaining a pre-determined distance from the vehicle in front, even in stop-and-go traffic.

Lane Keep Assist (LKA)

Receive gentle nudges to keep you on course and in control on every curve.

Autonomous Emergency Braking (AEB) Vehicle, Pedestrian, Cyclist, Junction

Automatically applies brakes to prevent or mitigate collisions and keep you safe.

Traffic Sign Recognition (TSR) and Over Speed Alert (OSA)

Detects and displays traffic signs, ensuring you're aware of speed limits and other road regulations.

Rear Cross Traffic Alert (RCTA)

Detects approaching vehicles and alerts you of impending collision.

Lane Change Alert (LCA)

Alerts you of approaching vehicles while indicating a lane change.

360° 3D surround view camera system
Enhanced parking and maneuvering safety.

Blind Spot view Monitor (BSM) - camera based
Camera-based monitoring of blind-spots with display on infotainment screen or instrument cluster.

Blind Spot Detection (BSD) - radar based

Radar-based monitoring of blind-spots with warning indication on the ORVM.

Lane Departure Warning (LDW)

Get warnings and assistance to prevent unintended lane departures.

Forward Collision Warning (FCW)

Receive warnings to prevent front collisions.

High Beam Assist (HBA)

Ensures optimal visibility without dazzling other drivers.

Door Open Alert on ORVM

Alerts occupants while opening doors.

Driver doze-off alert

Electronic stability control based driver attention alert.

Rear Collision Warning (RCW)

Ensures you are alerted to any approaching dangers from the rear.

Electronic Parking Brake with Auto hold

Keeps your car at a complete stop until you press the accelerator.

SOS call function###

Immediate assistance in emergencies or breakdown.

Front parking sensors

Parking made easier with front assist sensors.

6 airbags

6 strategically placed airbags to minimise injury in the event of a collision.

All wheel disc brakes

Enhanced safety with disc brakes on all wheels for optimal stopping power.

Hill hold assist

Holds your car from rolling back on any incline till you accelerate forward.

Hill descent control

Maintain a controlled speed for safer downhill driving.

Electronic Stability Program with i-VBAC

Intelligent vehicle behaviour control.

shaped for performance —

Experience dynamic performance for unforgettable drives.

Dynamic drive, thrilling performance

A dynamic driving performance for an unforgettable experience.

Long driving range of 502[#] Kms on a single charge

For extended adventures without the worry of a charging stop.

Power output of 123 kW (167 PS)

Unleash the power of the electric powertrain at the tap of the pedal.

Instant torque of 215 Nm

Instant peak torque for an exciting drive feel.

0-100 Kmph in 8.6[^] s

Fast when you need it to be.

Multi drive modes - Eco, City, Sport

Tailor your driving experience to suit your preferences.

Paddle shifters for multi-mode regenerative braking

Multiple regenerative braking modes to suit your regen preferences at the tap of a paddle.

All-new gen-2 motor

Robust performance and efficiency for an electrifying driving experience.

Liquid cooled battery pack

Ensuring Thermal efficiency for optimal battery health and durability.

IP67 rated battery pack and motor

Drive worry-free with high ingress protection standards.

Smart power electronics

Smart algorithms to control vehicle electronics, charging speeds and battery thermal management.

shaped for various charging needs —
Enjoy hassle-free drives with multiple charging options.

DC fast charging

Minimal downtime and maximum convenience.
SOC 10% - 80% in 40⁺ minutes.

7.2 kW AC home wall box charger

Power up at home seamlessly.
SOC 10% - 100% in 7.6⁺ hours for Curvv.ev 55.

15A portable charger

Enjoy charging convenience wherever you go. Charges with any 15A power socket.

Coverage of Lifetime HV Battery Warranty is as below:

	Lifetime Warranty First Registration		Standard Warranty Second Registration onwards*** (whichever occurs first)	
Model / Brand	Years	Km		
Model / Brand	Years	Km	Years	Km
Curvv.ev	Lifetime*	Unlimited**	8^	1.6 Lakh^

*The term 'Lifetime' refers to the period of fifteen years from the first date of registration of the vehicle at the local regional transport office, in accordance with the Motor Vehicles Act, 1988, and is restricted for the period of use during the first registration only.

** The term 'Unlimited' is on the assumption of fair usage by a customer for personal use of the vehicle and therefore excludes extra-ordinary usage or usage outside the ordinary course as would be reasonably expected for vehicle not being used for commercial / trade purposes.

*** It is incumbent on every second (or subsequent) owner to inform TATA Passenger Electric Mobility Limited of the vehicle ownership transfer for HV Battery Warranty to apply. The HV Battery Warranty stated above shall not be available to the second or subsequent owner in absence of such notification.

Disclaimers:

^ΔUnder ambient test conditions. ^ΔAs per internal testing data, under ambient test temperature conditions. ^ΔARAI Certified Urban + Extra Urban (MIDC Part 1 + Part 2) under standard testing conditions, actual performance figures may vary depending on various conditions including driving pattern, etc. ^ΔSmart watch is not part of vehicle equipment & accessories.
