impossible

Harrier.ev
with **DWD** Dual Motor

BNCAP
5-star safety rating*

Designed to silence doubt.

Engineered to delete limits.

Takes the unbeaten path and makes it its own.

Moves with the force of power, and the finesse of precision.

Electric, but never expected.

SUV, but never standard.

Breaks through what others back away from.

the **Harrier.ev** with quad wheel drive is here —

Harrier.ev is engineered to take on the impossible.
It delivers instant torque, dynamic precision,
and next-gen terrain adaptability,
redefining what an SUV means.

Whether you're cruising through the city or
pushing past the beaten track, with Harrier.ev
the power isn't under the hood anymore. It's in every move.

go anywhere with — Quad Wheel Drive

Quad Wheel Drive dual motor setup

All Round Control With Dual Motors

Dual motors deliver the
highest torque of 504 Nm.

Boost Mode

Get a burst of torque & power
and feel the acceleration as
Harrier.ev reaches 0 to 100kmph
in 6.3[^] seconds flat.

any road, any terrain — take on all challenges with the Harrier.ev

6 Terrain Modes

Harrier.ev rules every terrain with its 6 terrain response modes. Normal, Rock Crawl, Mud ruts, Snow/Grass, Sand and Custom

Normal

Rock crawl

Mud ruts

Snow/Grass

Sand

Custom

Off-Road Assist

Enhanced traction and control on challenging terrains.

Multi Drive Modes

Eco, City, Sport and Boost.

delete detours — with Ultra Glide Suspension set-up

Independent multi-link rear suspension with frequency-dependent damping brings precision handling together with plush ride quality. Feel stable, no matter the surface.

Effortless Glide And Total
Comfort, No Matter Where
You Take It

go beyond maps — with high-capacity battery

Powered by a robust 75 kWh battery pack, engineered for both range and resilience.

charge fast — chase further

Up to 250▲ km of range in just 15 minutes with a 120 kW DC fast charger because waiting shouldn't be part of the journey.

get control in your hands with — Regen Paddle Shifters

Take charge of energy recovery with Regen Paddle Shifters enhancing efficiency while giving you total control on drive.

The technology in Harrier.ev unlocks new possibilities
with breakthrough digital features.

All crafted to make every drive smarter,
sharper, and unmistakably special - a new force of nature.

Tata Intelligent Digital
Architecture Layer

Our SDV foundation built on the acti.ev+ architecture is designed to seamlessly integrate safety, entertainment, and connectivity. t.idal is powered by over 500 million lines of code and cutting-edge domain controllers. Industry-first Harman™ Infotainment powered by Neo QLED automotive display, multilingual voice recognition, and ADAS with Mobileye EyeQ, to over-the-air updates and digital key integration - t.idal turns the Harrier.ev into a truly intelligent, software-defined SUV.

master every move — with e-Valet

Auto Park Assist^o:
Park like a pro. The Harrier.ev can handle parallel, perpendicular and angular parking spots with ease whether you are sitting inside it or standing outside with Keyfob. In addition, you can define your own parking spot and park anywhere.

Summon Mode^β

Bring the car to you with a tap, from tight spots or across the driveway.

Reverse Assist^γ

Confident backing with automated control, even through complex exits.

**make your presence
unlock doors —
with Digi Access¹**

Use your smart Keyfob or smartphone to lock, unlock, park, summon or start your car powered by ultra-wideband (UWB) technology.

- Digital key
- Smart card
- Remote key

**allow access from
anywhere — with
digital key sharing**

Share access remotely and stay in control smartly and securely.

command every angle — with Clear View Assist

540° Surround View⁶

Get complete visual command with a 360° HD camera and Transparent Mode. With Transparent Mode see what's under the car.

Blind Spot View Monitor

Know what's hiding in your blind spots. The cluster or infotainment screen (as per your preference) shows it in real-time.

HD Rear View Mirror^ε

The HD rear-view mirror gives you a full, clear view and records everything, just in case.

DrivePayⁿ —

India's first UPI based in-car payment. Make payments on the go right from your car's screen.

navigate every turn — with Mappls Auto^o

Built-in navigation with Mappls Auto.
Real-time routes across both screens.

always — be in control — with connected car apps

iRA.ev Connected Suite^{##}

Smart control through your phone or smartwatch^{^^} lock/unlock, charge, plan your trips and get OTA updates.

your world on demand
— **with wireless**
Android Auto™
& **Apple CarPlay™**

powers more than —
just your drive

Vehicle to load (V2L) technology***

Whether it is a drone, e-scooter or a camping experience, transform your EV into a mobile power hub.

Vehicle to vehicle (V2V) charging^^^

Share power with compatible vehicles.

Every inch of the Harrier.ev

is designed to put you in command.

Not just of the road, but of your comfort.

The Zenith Suite combines power with luxury to
create journeys that leave a mark.

From ventilated, memory-powered seats to panoramic views,
modular space, voice-activated features,
and intelligent climate control,
it adapts to your needs before you ask.

enjoy the — Theatre Maax Experience

36.9 cm (14.53") Cinematic Infotainment Screen by Harman™ powered by Samsung Neo QLED (world's 1st Neo QLED automotive display).

JBL Black™ 10-speaker system with JBL audio modes. The Harrier.ev is the first car in the world to get it.

Dolby Atmos

Hear every note, feel every beat and let the sound surround you from every direction.

Arcade.ev~

In-car app suite that brings video, games, and apps to life.

drive maximum with — powered front seats

Power adjustments, memory settings, and ventilated front seats give you command and comfort in one move.

6 Way Powered Memory Driver Seat

3 Position Driver Seat Memory Settings

4 Way Co-passenger Powered Seat

Sliding Arm Rest

Ventilated Front Seats

dial in comfort — with dual-zone auto AC

Personalised temperatures for driver and passenger keep every ride cool and composed.

breathe easy with — the air purifier and AQI display

speak and make it happen with — multiple voice assistants

Access features hands-free, just command and the Harrier.ev listens.

power — no strings attached

Stay charged without the clutter. With built-in smartphone wireless charger, just drop your phone and go. No cables, no compromise.

**open up the
sky with —
voice assisted
panoramic
sunroof**

Let light flood in through a wide glass roof that redefines every journey.

**change the mood
— with ambient
lighting**

Customisable cabin lighting sets the tone from subtle calm to bold energy.

turn the rear cabin — into a lounge with Powered Boss mode

With Powered Boss mode, the front co-passenger seat moves forward at the touch of a button, giving you space to stretch out. Rear sunshades, comfort headrest, cup holders, and a 65W charger turn the rear cabin into a private lounge.

Powered Boss Mode

Rear Sunshades And Comfort Headrest
Rear Armrest With Cup Holder

C-Type 65w Charger

heavy lifting made history with — the power tailgate

Hands-free access powered by convenience. Control it with a gesture.

pack for more — with modular boot space

Flexible volumes adapt to your plans from grocery runs to gear-loaded weekends.

store smarter — with the frunk

A front trunk that adds intelligent space where you need it most.

built-in chill

Cooled storage under the armrest adds everyday convenience to every drive.

hydration for — every long journey

Designed to hold larger bottles with ease, for comfort that lasts every mile.

Every ride is an invitation to take the unbeaten path.

That's why the Harrier.ev is built with a clear intent,
to protect what matters, leaving no doubt in your mind
everytime you take a journey.

From its 5-Star protocol BNCAP-ready body structure to intelligent Level 2 ADAS,
it's engineered to anticipate, react, and shield in real-time.

True confidence comes from knowing your SUV is thinking three steps ahead.

Advanced Driver Assistance Features That Act When It Matters

- ACC – Adaptive Cruise Control with Stop & Go
- TSR – Traffic Sign Recognition
- ISA (TSR) – Intelligent Speed Assist with Traffic Sign
- ISA (Map) – Intelligent Speed Assist with Map
- LCS – Lane Centering System
- ASA – Adaptive Steering Assist with ACC
- LDW – Lane Departure Warning
- LKA – Lane Keep Assist
- FCW – Ped: Forward Collision Warning (Pedestrian)
- FCW – Car: Forward Collision Warning (Car)
- DOA – Door Open Alert
- BSM – Blind Spot View Monitor
- FCW – Cyl: Forward Collision Warning (Cyclist)
- AEB – Ped: Autonomous Emergency Braking (Pedestrian)
- AEB – Car: Autonomous Emergency Braking (Car)
- AEB – Cyl: Autonomous Emergency Braking (Cyclist)
- RCW – Rear Collision Warning
- RCTA – Rear Cross Traffic Alert
- BSD – Blind Spot Detection
- HBA – High Beam Assist
- LCA – Lane Change Alert
- OSA – Over Speed Alert

shield every journey — with 7 airbags

Comprehensive protection from every angle with dual front, side, curtain, and driver knee airbags.

stay in command — with ESP i-VBAC

Electronic Stability Control and electronic control of the brakes give you confident, calibrated control in every scenario.

record every moment — with HD DVR^ε

A digital rear-view mirror that doubles as a front and rear dash, recording every drive in high-definition.

be heard — by everyone

Acoustic Vehicle Alerting[®]
System ensures pedestrians
hear your EV coming.

secure the smallest — with ISOFIX mounts

Built-in ISOFIX anchors
keep child seats locked in
place, because safety
starts young.

hold the line — with EPB and auto hold

Electronic Parking Brake with Auto
Hold makes hill stops and tight parks
second nature.

help at the push of a button — with e-call and b-call^{###}

In an emergency, E-Call connects you instantly to support, because every second counts.

don't let rain — hamper your view

Rain-sensing wipers activate automatically and adjust to the intensity of rain.

The new Harrier.ev carries a commanding posture
and rugged confidence with electric sophistication.
Its imposing silhouette, clean surfaces,
and signature lighting are made
to cut through cityscapes and mountain air alike.

Coverage of Lifetime HV Battery Warranty is as below:

Model	First Registration		Standard Warranty Second Registration onwards*** (from the date of first registration, whichever occurs first)	
	Years	Km	Years	Km
Harrier.ev	Lifetime*	Unlimited**	10 [^]	2 Lakh [^]

Summary of Terms and conditions for Lifetime HV Battery Warranty are as below: The specific details of the Terms and Conditions are as published on TATA.ev website (<https://ev.tatamotors.com/>) The Lifetime HV Battery Lifetime warranty is exclusively applicable under the following vehicle types and conditions: Registrations in the name of private individuals. Registrations made under the company perk car scheme for employees, including subsequent transfers of the vehicle to the same employee. In the event the perk car is sold or transferred to any third party (not being the aforementioned employee), such third party shall be treated as second or subsequent owner for the purposes of the lifetime HV battery warranty. * The term 'Lifetime' refers to the period of fifteen years from the first date of registration of the vehicle at the local regional transport office, in accordance with the Motor Vehicles Act, 1988. **The term 'Unlimited' is on the assumption of fair usage by a customer for personal use of the vehicle and therefore excludes extra-ordinary or usage outside the ordinary course as would be reasonably expected for vehicle not being used for commercial / trade purposes. *** It is incumbent on every second (or subsequent) owner to inform TATA Passenger Electric Mobility Limited of the vehicle ownership transfer for Lifetime HV Battery Warranty to apply. The lifetime HV Battery Warranty shall not be available to the second or subsequent owner in absence of such notification. [▲] Under ambient test conditions. [®] ARAI Certified, Urban + Extra Urban (MIDC Part 1 + Part 2), actual performance figures may vary depending on various conditions including driving pattern, etc. [^]For every sale of vehicle second registration onwards, the date of first registration and kilometer coverage starting from such date of first registration, shall be considered as the baseline for calculating the said term of years and said coverage of Kms. Respectively [♦] Estimated real world range as per Internal reference.
