## Power, on command.

The streets will never feel the same again. Heads will turn. Jaws will drop. Heartbeats will race. And respect will follow. Just some things you'll get used to, every time you get behind the wheels of the Volkswagen Polo. It's powerful, it's dominant, and ready for adventure; all, on your command.

## It looks like it has earned its stripes.

When a car comes with power this formidable, it shows. And in this case, effortlessly so. Take for instance, the smooth Front Grille, or the Dual-beam Headlamps that together make for a visual treat. The Body-coloured Door Handles, the chrome highlights on the air dam, make sure the car looks sleek from every angle.

But there's more than meets the eye. Its Electronically Foldable Side Mirrors with integrated turn indicators can be adjusted automatically from your seat. The Dual-beam Headlamps and Front Fog Lamps come with cornering lights that are meant for additional safety.

And the Heat Insulated Glass on the side and rear windows are added to keep you cool. With the R16 'Portago' Alloys, the Volkswagen Polo is ready to serve both, the tough and the trendy. You could say, it's power that spoils the right way.

## Powerful outside. Power-packed inside.

Inside, the Volkswagen Polo has many tricks up its sleeve. Starting with its mighty leather-wrapped steering wheel that is known to transform even the most lifeless of roads into exciting speedways. Its multi-function console at the centre is built to obey. That's not all, the brushed-aluminium finish marks its powerful persona and the scratch-resistant interiors keep up with it.

## It's what's inside that counts.

Step inside and prepare to be awed. Keeping comfort and safety in mind, the Volkswagen Polo includes a new Auto-dimming IRVM that dims out any glare from vehicles that trail behind. In case of a sudden downpour, its rain sensor automatically sends out signals to the wipers.

From finely upholstered seats in a black-and-orange Splendor fabric, to the front centre armrest and a cooled glovebox that keeps you company on hot days, everything about the Volkswagen Polo makes you feel at home. Those long drives on highways now become effortless with Cruise Control that helps maintain a steady speed. Take charge of the multi-function steering controls that gives you complete authority to manage the radio, music and your phone with your fingertips. Its reach and rake adjustable steering wheel allows you to modify as per your driving convenience. Apart from the driving controls, the dashboard packs Touchscreen Infotainment System, an advanced multi-function display and everything you need at the touch of a button. And if you'd still like to keep your hands-free, you can make and receive calls through voice command, as well. Just connect your phone to its multi-function console using bluetooth and click the command button on the steering wheel to operate.

# Power, uninterrupted. Uncorrupted.

Rev the engine, make it march to the beat of your own drums. The 1.5L TDI Diesel Engine is a powerhouse of versatility. A 4-cylinder beauty coupled with a 5-speed Manual Transmission. The engine, also available in a power-studded 1L MPI Petrol option, is tailor-made with surgical precision, so that you get maximum power out of minimum consumption.

# With great power comes even greater safety.

Nothing feels as good as a heady boost of confidence. Just why every Volkswagen out of the factory is a force to reckon with. Trusted, checked, re-checked and rigorously quality-controlled to accuracy. It comes in a high-strength steel frame, with Anti-lock Braking System (ABS). Seats nestled comfortably as you ride in a 100% galvanised steel body that's enclosed by a laser-welded roof. As safe as possible (or probably even more). Equipped with Dual-front Airbags as standard, the Volkswagen Polo is the safest premium hatchback in its segment.

# Motorsport

## Winning. It's in our DNA.

At Volkswagen, we always play ahead of the game. From pioneering the world's finest engineering to the many innovative firsts celebrated by our cars. That includes the outstanding performance of the 1.6L turbo-charged Race Polo at the World Rally Championship, year on year. Drivers Sébastien Ogier and Julien Ingrassia led the car to its third consecutive 'Manufacturer of the Year' title in 2015. The car even boasts of snapping the 'Overall Champion' title at the 2014 Indian Rally Championship, 1600cc class. Ah, that good feeling.

# Sports and Design.

## Volkswagen Genuine Roof Edge Spoiler

The roof edge spoiler not only looks sportier but is also effective. Its understated sporty look significantly enhances the tail end of the vehicle while simultaneously improving the aerodynamics. It is primed and can be painted to match the vehicle colour.

## Volkswagen Genuine Sunblind

There are simply occasions when it is better for the sun to remain outside. For example, when your rear-seat passengers include children or pets. The Volkswagen Genuine Sunblind can be used as optimal sun protection, as well as for thermal insulation – without impairing traffic safety. It can be used when the windows are closed as well as when they are open. A set for the rear window and rear side windows.

Part No. 6RG 064 365 Sunblind for the rear side windows and for the rear window (set for 4 doors)

## Details

The special structure of the sunblind provides optimum protection against sunlight and offers thermal insulation.

## Volkswagen Genuine Front Armrest With Storage

While the armrest is conveniently positioned for your comfort, it also comes with a storage space, allowing you to stock up on all your long drive essentials.

# Alloy wheels.

**Knowing What Counts.  
Our Manufacturer Expertise.**

Our alloy wheels deliver everything that Volkswagen Accessories stands for: ultimate quality, maximum safety and fresh design. There's hardly a component that bears as much responsibility as the wheel. Both for road safety and the overall vehicle look. Once more our complete wheel selection delivers a range you can depend on 100 per cent. In every sense.

Alloy wheels by Volkswagen Accessories are perfectly tailored to suit each individual Volkswagen model. Our developers draw on their long-standing experience to create the perfect wheel-tyre-vehicle combination and hence ensure that every single one satisfies the high standards Volkswagen places in quality and safety. We focus first on technical adaptability – in addition to axle loads we also make sure the engine type and brake specs are ideally matched.

## Roof Box, Matt Black

The roof box with a volume of approx. 340 litres has an optimised aerodynamic design that largely eliminates unpleasant driving noises. The roof box has been adapted to the modern design line of the new Volkswagen models. It opens from one side and is equipped with a 2-lock system. Thanks to the comfort sliding fitting system, the box can be securely fitted on the roof bars with just a few quick motions.

Part No. 000 071 200

## Volkswagen Genuine Roof Bars

Well-equipped on the move - thanks to the Volkswagen Accessories roof bar systems. The basis for this are the perfectly fitting, aerodynamically-shaped aluminium profile roof bars to which, for example, surf board, bicycle, ski and snowboard holders or the practical roof boxes can be attached to the vehicle roof in no time at all. The roof bars are completely pre-assembled and are not only City Crash1 tested but have also passed the even stricter standards of the Volkswagen City Crash Plus Test. The easy-to-install aero profile minimises wind noise.

Part No. 6R0 071 126 For 4-door

## Volkswagen Genuine Bicycle Carrier

The aerodynamic bicycle carrier, which is made of UV resistant plastic, is mounted on the roof bars using chromed steel holders. The bicycle automatically slides upright into the self-adjusting wheel receiver, leaving both hands-free for fastening. The perfectly fitting, completely pre-assembled supporting rods are not only City Crash1 tested but have also passed the even stricter standards of the Volkswagen City Crash Plus Test. The maximum load-bearing capacity is 17 kg.

Part No. 6Q0 071 128 A

# Comfort and Protection.

We've left no stone unturned in crafting interiors that are a class above the rest. And the cosy new seat covers are testimony to the attention we give to every fine detail. All upholsteries have two things in common - high-quality materials and uncompromising workmanship - protecting your seats against wear and giving you maximum comfort and support. While bold new enhancements make up the interiors, leatherette seat covers with stitching adds to the richness of your seat, making it the centre of cool.

## Features:

## Volkswagen Service for your peace of mind.

**Volkswagen Warranty and Extended Warranty:** The Volkswagen Polo comes with a standard warranty of 2 years, unlimited kilometres, and can be extended at an additional cost for a further 1 year and up to 80,000 kilometres. Or 2 years and up to 1,00,000 kilometres from the date of sale (whichever is earlier). Extended warranty can be purchased within standard warranty period only. All this, to protect your car against the defects of most mechanical and electrical components due to manufacturing defects. All periodic maintenance at recommended intervals and warranty work must be completed by an authorised Volkswagen dealer.

**3-year Paint Warranty and 6-year Anti-perforation Warranty:** The paintwork of the Volkswagen Polo is covered against manufacturing defects for a period up to 3 years and the vehicle body parts for a period of 6 years from the date of sale against perforation caused by corrosion. Naturally, the Volkswagen Polo must be cared for in compliance with the operating instructions, which will be found in your vehicle handbook, and all body repairs must be done at an authorised Volkswagen dealer.

**Volkswagen Roadside Assistance:** Every new car is registered for Volkswagen India Roadside Assistance for 2 years from its date of sale. This provides the vehicle with home and roadside recovery in the unlikely event of a breakdown anywhere in India (subject to terms and conditions). This service can be extended for either 1 or 2 additional years. **24x7 Roadside Assistance Helpline: 1800 102 1155 / 1800 419 1155.**

**Periodic Maintenance:** The service interval of your Volkswagen is scheduled for every 15,000 kilometres or one year. With a one-time free inspection at 7,500 kilometres or 6 months, whichever is earlier.

**Please note:** The features and specifications contained in this brochure are for informational purposes only and are subject to change without prior notice.
