

# The Tiguan Allspace

Fits all

# Fits all

With inclusivity at its heart, the all-new luxurious Tiguan Allspace is built to accommodate a lot more in your everyday journeys. Its generously designed interiors offer flexible seating for 7, across 3 rows, and provides up to 1274 litres of massive boot space. Appointed with thoughtfully designed features and a revolutionary engine, the Tiguan Allspace is versatile, flexible and immensely practical.

# Fits all tastes

The Tiguan Allspace comes with an elegantly designed Panoramic Sunroof that blends in seamlessly with the spacious cabin and lets you carry a piece of the sky. The configurable Digital Cockpit: Active Info Display lets you access important information at a mere glance. While the stylish LED Headlamps with Daytime Running Lights and Alloy Wheels add a touch of class to every journey.

# Fits all comforts

The Keyless Access makes getting in and out of the Tiguan Allspace as effortless as possible. The luxurious Vienna leather seats add comfort to the toughest of journeys. While the 3-Zone Climatronic AC lets the driver, front and rear passengers choose the temperature that suits them.

# Fits all safety standards

Designed to keep you safe, the intuitive Electronic Stabilisation Programme prevents the vehicle from being destabilized in extreme conditions. The Tyre Pressure Monitoring System alerts the driver in case of low tyre pressure. While the Reverse Parking Camera rules out any surprises on the road, the optional Park Assist finds a suitable parallel or perpendicular space and enables handsfree parking. Moreover, the 7 airbags including driver's knee airbag in the Tiguan Allspace make every journey a safe journey.

# Fits all journeys

The all-new Tiguan Allspace is powered by Volkswagen's revolutionary TSI technology in a 2.0L engine. Its automatic 7-Speed Dual-shift Gearbox makes shifting gears effortless. The intelligent 4MOTION – four wheel drive system, distributes the engine's power to all four wheels as required. This improves traction, handling and acceleration.
